Disclaimer

University Town is constantly seeking ways to improve the specification and design of the project and the modifications take place continually. While all reasonable care has been taken in preparing these architectural renderings, illustrations, pictures, photographs and other graphical representations portrayed in this brochure, they are artistic impressions and may differ in some detail from the actual.

The real estate development has always been in the heart of University Town (Pvt.) Ltd. strategic objectives, which are derived from our ability to understand the basis of the real estate market in Islamabad, Pakistan. Accordingly, we strive to implement successful projects focusing on such understanding.

As one of the company’s top priorities, the real estate development has been supported by our commitment and ability to design innovative and creative projects that realize the market needs in terms of quality, investment structure, excellence of architectural design and implementation.

Our business in this field includes, developing real estate projects according to user and specification as per market requirements, managing sizable projects in terms of development, construction, ability and the know-how which enables us to work within a pre-set time schedules and budgets.

Our development team is experienced professionals has the ability to mobilize to address complex and demanding challenges and provide seamless service on a standardized basis.

CEO MESSAGE

Abdul Aziz Khan
CEO
INTRODUCTION

University Town is a well-known name in real estate industry in Islamabad. Our focus was to provide unparalleled quality of service, with honesty and integrity. Our focus enabled us to achieve a rapid growth rate and by 2007 we became involved in the construction industry - initially building houses for our local and overseas clients. Who placed their faith in us? As our team grew and our standard of build quality enhanced our reputation, we began to take on larger projects in conjunction with our associates, partners and investors. Today we are a reputable real estate and construction company specializing in residential and commercial projects of varying sizes with many satisfied clients around the world.
INTRODUCTION
Shayan Plaza is located in University Town Islamabad. It is a residential/commercial development that defines affordable luxury. It offers contemporary spaces apartments with superb facilities and elegant looks. When you need simplicity with a touch of style, for those fast paced, compact families, Shayan Apartments are ideal. UNIVERSITY TOWN COMMERCIAL PROJECTS

University Town is a new beginning in residential community. University Town where every day dawns with promises, is a relaxing and special journey into the ultimate residential lifestyle. A coveted new domain that offers you the incredible opportunity to live the lifestyle you’ve dreamed about for so many years. Each villa comes with imported fixtures and high class finishes. University Town are designed to meet requirements of both small and large families.

University Town location is very feasible. It is closely situated with Kashmiri highway, motorway interchange, metro bus service and new Islamabad International airport. Also it is close to Islamabad CDA sector I-17 and H-17 and sector G-13 will be just a 5 minutes away.

- New Islamabad international airport about to completed.
- Kashmiri highway and Stallian interchange to airport link road near to completion.
- Accessibility of Islamabad airport with metro bus project.
- University town with electricity, water, gas and security availability
- 24/7 Security with CCTV surveillance
- Lawn well landscaped and planted
- Cable TV and Telephone
COMMERCIAL PLOTS

The layout plan includes provision of basic amenities like quality education, health, socio-economic and commercial needs, environment friendly surrounding, sports and cultural activities. The inhabitants would enjoy the privilege of choice of the facilities available within the Sector and also of adjoining five major cities.

University Town location is very feasible. It is closely situated with Kashmir highway, motorway interchange, metro bus service and new Islamabad international airport and also having great importance due to China Pak Economic Corridor (CPEC).

This Sector would be the gateway to Central Asian States, Gilgit Baltistan, Khyber Pakhtoon Khawa (KP) and China. The alternate incoming route to Islamabad known as Margalla Avenue joins G.T. Road almost in front of Gate 1 of the Sector. It is a focal point for Islamabad/ Rawalpindi, Taxila, Wah Cantt and Hasan Abdal and would be at a striking distance from future settlements of value, growing briskly in and around.
University Town is a masterly planned area surrounded by natural beauty, affording breathtaking view of the Islamabad. It would give feelings of dream coming true for those who prefer a serene community. Under neat and clean environment, the scheme would prove a project of its own class.
